

# PACK MEMBER OF THE MONTH

**Kendra Adams** has been with WAG-A-LOT Decatur since June 2010 and has quickly proven herself to be a passionate addition to our team. Her favorite things about working at WAG-A-LOT are playing with the pups and laughing at their different personalities, cuddling with her faves (Sammy & Napoleon), and of course the endless doggie kisses! She can often be found wrangling the little guys in our Small Dog yard. Outside of the dog world, Kendra enjoys vegan baking, watching horror films, photography, and road trips with her boyfriend. Thanks for your hard work and dedication, Kendra!

*Kendra is pictured here with Amber, WAG-A-LOT's resident foster dog, who is looking for her forever home!*
