

# PACK MEMBER OF THE MONTH

**Spud “Joseph” Brown** is Decatur’s Pack Member of the Month for April. Spud has been in the WAG-A-LOT family since 2006 and is an integral part of our Pack. This is not Spud’s first time as PMOM. In fact, he was Pack Member of the Year for 2010! Spud says his favorite things about working at the WAG are noticing how similar dogs and humans behave and having super cool coworkers. He claims to have been born in a shack in the woods and to have been led to the dog profession by a freak accident. In his spare time he enjoys going to Coinstars, lounging around, visiting abandoned buildings, and eating Cheezits. Thanks, Spud, for your hard work and your general awesomeness!
